In submitting the above mentioned manuscript to *Oncocytology*, I \_\_\_\_\_  
\_\_\_\_\_ (Insert name of Corresponding Author) certify that I am authorized by all co-authors to enter into the agreement given below. On behalf of myself and my co-authors, I certify that:

**Section – I: Integrity and Originality of Manuscript**

- The entire manuscript is an original creation of the Author(s), it has not been formally published in any other peer-reviewed or non peer-reviewed journal, it is not under consideration for publication elsewhere, it has not been accepted for publication elsewhere, it does not infringe any copyright or any other third party rights, I/We have not assigned, licensed, or otherwise transferred any right or interest in the manuscript to anyone.
- I/we shall produce the data upon which the manuscript is based or any other material related to the contents of the manuscript, for examination by the *Oncocytology*, its editors or assignees should they request it.
- The article contains nothing that is unlawful, libelous, or which would, if published, constitute a breach of contract or of confidence or of commitment given to secrecy;
- I/we have taken due care to ensure the integrity of the article. To my/our - and currently accepted scientific - knowledge all statements contained in it purporting to be facts are true and any formula or instruction contained in the article will not, if followed accurately, cause any injury, illness or damage to the user.

**Section – II: Open Access Agreement**

I/we agree to the following license agreement (Brief terms and conditions of Creative Commons Attribution License 3.0. You can read the full license agreement at: [www.oncocytologyjournal.com/copyright-policy.php](http://www.oncocytologyjournal.com/copyright-policy.php)):

- to copy, distribute, and display the work;
- to make derivative works;
- to make commercial use of the work;

Under the following conditions: Attribution

- the original author must be given credit;
- for any reuse or distribution, it must be made clear to others what the license terms of this work are;
- any of these conditions can be waived if the authors give permission

### **Section – III: Rights of Authors and Publishers**

As author(s) of article submitted to *Oncocytology* for publication:

- You retain (or your employer retains, if applicable) the copyright to the article you have submitted to *Oncocytology*.
- You are free to place the article wherever you wish, or permit its use by another party, but in all such cases you must ensure that if the article (in whole or in part) is made available other than through *Oncocytology*, *Oncocytology* shall be identified as the original publisher and the *Oncocytology* citation details of the article shall be listed.
- You grant to *Oncocytology*, a non-exclusive license to publish the article in *Oncocytology* or any third party repositories such as Medline or PubMed Central, etc. This is a worldwide, irrevocable, royalty-free license to publish the article on-line, in print and in any other format in which it is now or in the future capable of existence and in any language. The article may be published in whole or in part, alone or in combination with other articles.
- You agree that *Oncocytology* may change the appearance of the article (layout and format) to ensure consistency and readability.
- This Agreement will be valid for *Oncocytology*, its Publishers, owners, licensees, assignees and successors in business.
